GuildQuality's 2014 Guildmaster Award Honors Lovette Construction

Birmingham, AL, May 19, 2014-Lovette Construction, Remodeling Firm in Birmingham, AL, has been awarded a 2014 Guildmaster Award for exceptional customer service. GuildQuality, an independent [customer satisfaction surveying](#) company, has powered the Guildmaster Award since 2005 to celebrate service excellence in the building, remodeling, contracting, and home services professions.

Lovette Construction was selected as one of the over 200 North American builders, remodelers, developers, and contractors recognized by GuildQuality for their superior delivery of customer care.

Over the past few months, GuildQuality reviewed numerous survey responses submitted by customers of Guildmaster candidates. In granting awards, GuildQuality considers two primary metrics for each candidate: the percentage of customers who would recommend and the percentage of customers who responded. Lovette Construction achieved a recommendation rate of greater than 90% from their customers, who were surveyed through GuildQuality.

“We are honored to have received the Guildmaster Award for the second straight year. We have always taken great pride in going above and beyond for our customers and to receive recognition for this approach is very rewarding” Clint Lovette, President
